

Siddhesh Jondhale

Developer

Motivated student with a passion for web and app development, specializing in Kotlin. Eager to apply my knowledge and skills in a dynamic internship environment. Proficient in HTML, CSS, JavaScript, and Kotlin programming languages. Experienced in creating responsive and user-friendly interfaces. Strong problem-solving abilities and a collaborative mindset, with the ability to work effectively in team settings. Seeking an internship opportunity to further enhance my expertise and contribute to innovative projects in the field of web or app development.
