OBJECTIVE

To Acquire A Challenging Position In An Environment Where I Can Best Utilize My Skills And Education.

SKILLS

- React
- Django
- SQL
- Web frontend
- C++
- C
- Java
- Kotlin
- Android Development
- Problem solving
- PHP
- MYSQL Workbench
- Wordpress
- Figma

EXPERIENCE

➜ **Aug 2021 - Sept 2021**
Nibodh Pvt . Ltd
Full Stack Web developer
I found that the internship proved to be really fruitful and enthralling. In a short span of six weeks I was introduced as well as familiarized with so many new technologies and softwares.
